

Project 'Purple Santa' - donations for women's refuges needed!

The Women's Law Centre is collecting new toiletries and cosmetics for women living in local refuges in the lead up to Christmas. Women and children in refuges have experienced family and domestic violence. Many have been forced to leave their home without their belongings. We would greatly appreciate donations of **new items** to help make the women feel special at this difficult time in their lives. It doesn't matter how big or small, every donation helps.

How you can help

Donations of **new items** can be made directly to the Women's Law Centre office located on the ground floor of the **CSA building, 445 Hay Street, East Perth.**

Last day for donations

Items will be delivered to the refuges in the week before Christmas. We'd like your donations by Monday 14 December 2015 please.
